# **THE 1966 HARVESTER**

**Published by  
THE SENIOR CLASS  
Sand Creek, Michigan**

The 1966 Harvester staff hopes that this book will provide you with a treasury of pleasant memories which will be renewed and enhanced each time you take a few moments to look through it. We believe that the experiences gained while in high school both scholastic and extracurricular will make some of the longest lasting impressions on our lives. With this in mind, it is our hope you will enjoy these moments as much in 2066 as you do in 1966.

It is an honor to pay tribute to one who has for so many years been a part of our class. Truly one of the finest leaders, he has never failed to help us in time of need. He has helped shape our future by giving us encouragement, hope, and spirit in all that we have done or attempted to do. With deep appreciation, we dedicate the 1966 Harvester to Mr. Kenneth Mitchell.

# BECAUSE YOU ARE

In every school there is a teacher who not only teaches, but goes far beyond the academic life. In our school this special person is Mr. Richard Butler, man extraordinaire.

He has helped us obtain a better understanding of ourselves and other people so that in the future we may be able to meet obstacles in life with less difficulty.

Although busily engaged in many activities, he is always willing to set them aside and give needed help and advice. By so doing he has earned the respect, cooperation and friendship of all students.

*Richard Butler*

## OUR SPECIAL FRIENDS

Donald Harlan, Earl DeLano, Richard Williams, Harold Willett, Richard Bailey, Vernon McMunn, Theodore Clement, Calvin Scharer.

## SCHOOL BOARD LINKS COMMUNITY WITH EDUCATION

Forming the vital link between the community and the school, our school board has done a marvelous job of keeping the citizens of the community well informed. We owe our sincere thanks to these men who devote so much of their time and energy to improving our school.

DONALD HARLAN  
Superintendent

After many years in the Sand Creek school system, this year Mr. Harlan became the school superintendent. His concern for the students of Sand Creek and his willingness to devote his time to solving the problems of the school have earned the respect of all who know him. We of the senior class wish to thank Mr. Harlan for all he has done for the Sand Creek community.

Nervous but victorious,  
that was Deanna.

In order to have a more efficient Student Council, a completely new method of choosing officers was used this year. Juniors and seniors were nominated by the student body and the students given the most votes were chosen as candidates for the various offices. Each candidate chose a campaign manager who took charge of posters and speeches which were given at assemblies on election day. The entire school voted by ballot for the candidates of their choice. The rest of the Council was composed of two representatives from each class, seven through twelve, and two advisors.

The Future Farmers of America have goals set for a bright tomorrow. This organization, founded for farm boys and aspiring farmers, was built on a foundation of leadership. The Future Farmer learns not only the principles of applied science in farming, but also the fundamentals of leadership. This training pays off, as a high percentage of Future Farmer members later become successful agriculturalists, politicians, and research scientists. This is another organization which looks into the future, seeking ways to build a better world.

In January fifteen proud juniors and seniors were inducted, as charter members, into the Sand Creek Chapter of the National Honor Society. These students were chosen by the faculty on the basis of character, leadership, scholarship and service. The National Honor Society looks upon education as a total product measured by these four dimensions of life.

Our Motto, "To Constantly Improve the Sand Creek Band," was carried out September 17, 1965, as the band made their first appearance with the new uniforms.

The biggest money-making projects to make this possible were the smorgasbord, scrap drive, traveling breakfasts, and our annual "pops" concert.

We have only you, the public, to thank for this great accomplishment.

## QUEEN DAWN

Tradition - This is one word that was disregarded in the 1965-66 Homecoming. For many years it was the practice to elect a girl from grades 9-12 as candidate for queen. This year, however, the Student Council decided to change all this. There was some disagreement between the conservative and the liberal students, but the Student Council's decision finally prevailed. Following the new plan, grades 9-11 each nominated a girl to serve on the court and grade 12 chose four girls for queen candidates. The entire student body voted for these candidates on the day of the game. At night, amid the excitement of the crowd and candidates, the queen was crowned to reign over the festivities.

## FOOTBALL — SPORT OF MEN

# B A S K E T B A L L H O M E C O M I N G

On January 5, 1966, the basketball homecoming, sponsored by the Pep Club, was held in the high school gym. The "Fighting Aggies" brought the Britton Tories to a screeching halt and beat them, 81-68.

Immediately following the game, a semi-formal dance, "Mid Winter Fantasy", was held in the high school gym.

# ORGANIZATIONS

# "HILLBILLY WEDDIN"

BACK ROW: D. Kelly, S. Clegg, R. Dillon, S. Griffith, C. Dunbar, S. Simpkins, J. Clark, P. Nuber, Director: Mr. Sullivan, M. Clement, S. Hipsher, D. Daniels, G. Sullins, C. Schuch, R. Shadewald, C. Relyea, H. Smith, C. Lemke, T. Heator, S. Phenicie

"No Paw, Not a bath!!!!!"

NOTICE: A charm school graduate

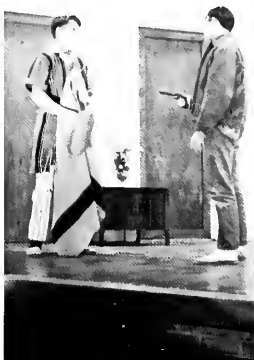

.. and you have the most beautiful lips."

# TOO MANY RELATIVES

"That's absurd, I never shoot pigeons!"

"Tell that maid to hurry up with dem eggs, I've been waiting an hour already!"

"Don't worry precious, it'll be all right."

BACK ROW: Steve Phenicie, Calvin Schuch, Charles Lemke, Harold Smith, Director: Mr. Steiner,  
FRONT ROW: Tom Heator, Dawn Daniels, Susan Griffith, Janice Sanderson, Sharon Hipsher, Susan Simpkins.

# BALI HA'I

OUR JUNIOR AND SENIOR PROM WAS DONE IN THE SETTING OF BALI HA'I. THE AMAZINGLY LIFE-LIKE SCENERY WHICH CREATED A REALISTIC TROPICAL ATMOSPHERE COULD ONLY BE EXEMPLIFIED IN ALL ITS SPLENDOR BY THE ADDITION OF COLOR.

The waterfall not only added a peaceful sound, but also drew many interested glances.

Seated at tables of four, the guests seemed to enjoy the personalized atmosphere created by the night club setting.

Bill Bailey, Junior class Vice President, served as master of ceremonies for an enjoyable program.

Working on the scenery with Mrs. Bruce was much work, very interesting and a rewarding experience.

**WITH THE COLORS AND LIGHTING  
EFFECT ONE COULD ALMOST FEEL  
THE OCEAN BREEZE AS WE  
DINED ON THE SHORE.**

Pleasant and effective waiters from the sophomore class dressed in South Sea tradition as shown by Pam Waltz and Pat Larson.

The guests enjoyed the entertainment provided by Dawn Daniels, Sondra Clegg, Mary Kimerer, and Pam Waltz.

# What Is a High School?

When you think of a high school, what comes to you?

This is the picture that comes to me:

A high school is people — teenagers and all.

It's the halls and classes and a rush in the hall.

It's panache and grade cards; it's green and white;

It's thrill and excitement of pure delight.

Suspense and rivalry and a rivalry's keen.

All year for scholarship, who will be Queen?

A high school has clubs and a club with their own,

And even a boxing ring where fights are done;

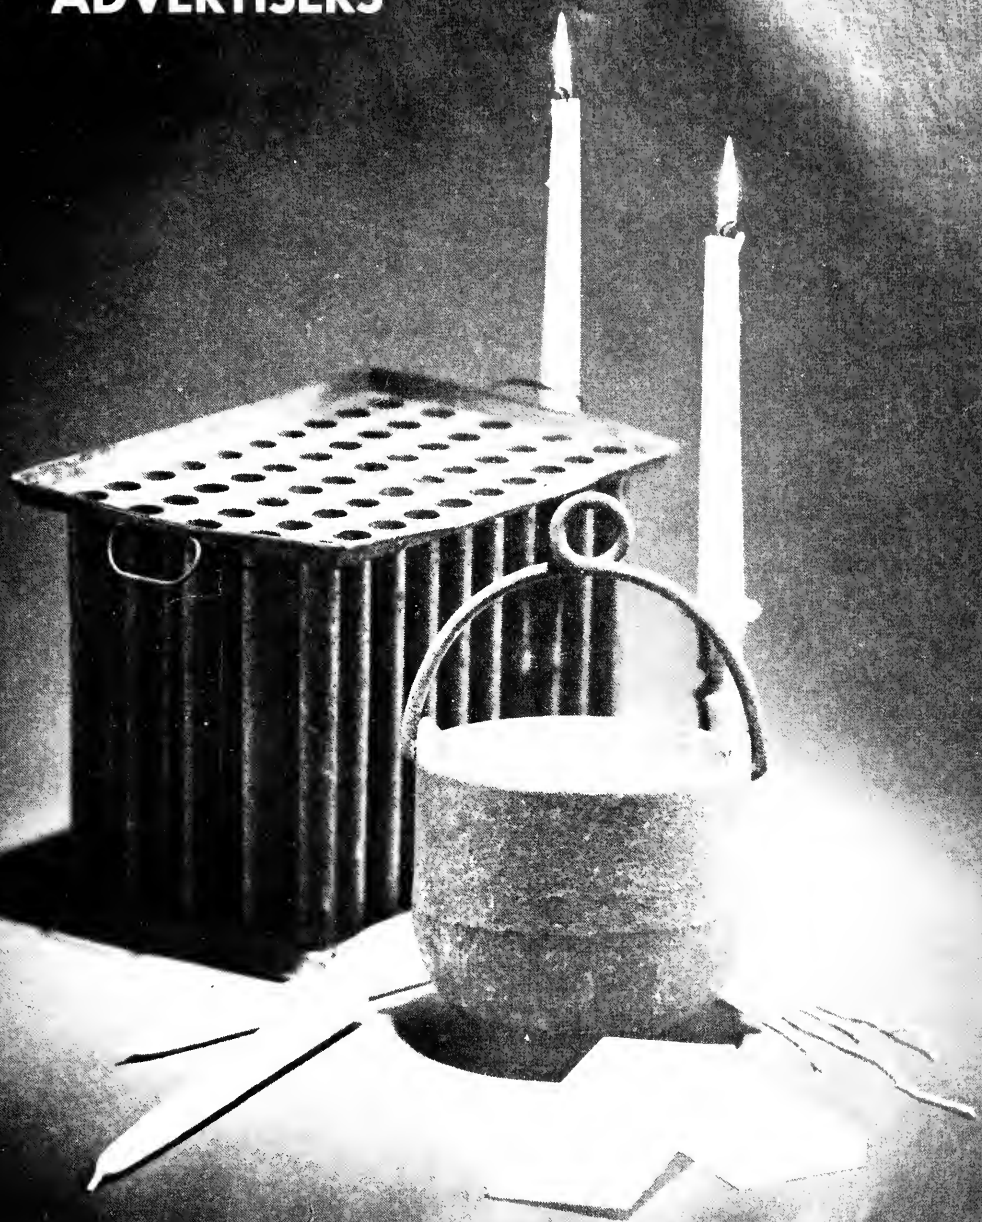

For we know the answer: we will win or not.

That "Fighting Aggie" spirit means more than we thought!

What is a high school? What is its story?

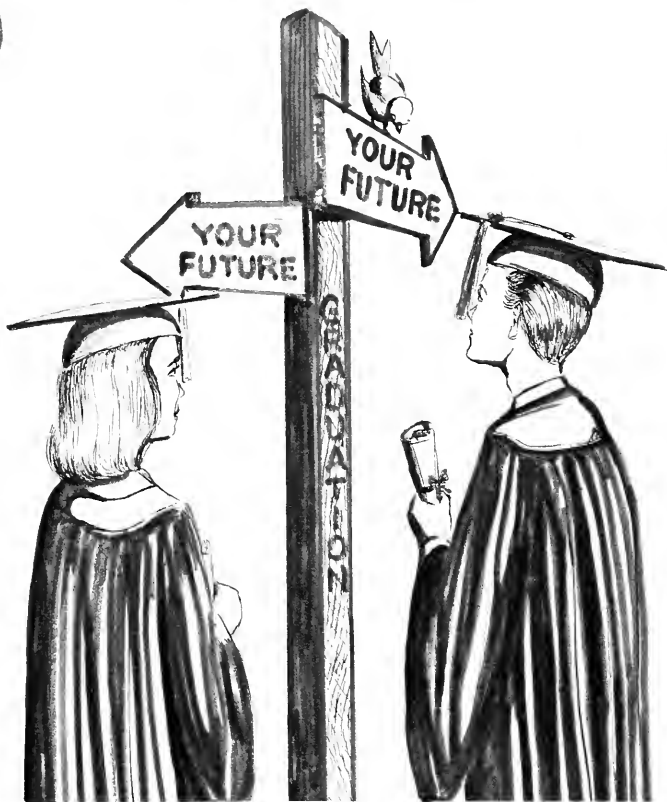

We've found it here in all its glory!
